**COVID COMMUNICATION NO. 23**

Dear Residents

We are extremely sad to inform you that Mr Robbie Wilkinson passed away in the early hours of Sunday morning 9<sup>th</sup> August. Robbie had been transferred from Resthaven to Frail Care on the 28<sup>th</sup> July for pain management for his advanced cancer. Robbie was confirmed as Covid positive on the 31<sup>st</sup> July and we believe that his body, ravaged by cancer, was just not able to fight the virus.

The Midcare Resident who was also confirmed as Covid positive on the 31<sup>st</sup> July is doing well thus far and will complete her isolation period on the 14<sup>th</sup> August.

The Estate Resident from 117 Carlingford, Mrs Rhoda Levy, and her Carer, will complete their isolation period today, 11<sup>th</sup> August.

All our other 14 Residents who had COVID continue to recuperate nicely.

**We are also sad to advise of the passing of ...**

Mrs Barbara Long Innes, previously of Midcare, passed away in Frail Care on Saturday 8<sup>th</sup> August as a result of a blood clot.

Mrs Sybil Wakely-Clement, previously of 501 Carlingford, passed away peacefully in Frail Care on Sunday 9<sup>th</sup> August after a lengthy battle with cancer.

Remember to wear a mask and stay at least 2 meters away from your friends/ neighbours when visiting each other on your patios or in your gardens.

**Please do not become complacent – stay vigilant and stay safe out there!**

**Warm regards**
